1. BUDGET CONFERENCE

25X1 The Director commented on the recent two-day DDA Office Directors' budget conference [REDACTED] He stated that while OS is facing major budget problems as a result of the Gramm-Rudman Bill, the most significant impact will be on the Technical Security Directorate and the non-personal service funds associated with the technical field. He further advised that several OS programs are now unattainable and the Office must begin identifying across-the-board areas which can be cutback, i.e., travel, conferences, etc.

2. PTS DIRECTORATE

25X1 DD/PTS described the recent three-day PTS conference as intense yet profitable. The Office's goals and objectives were discussed vis-a-vis the growth of the technical security program in a tight economy. Key issues covered included CRAFT security, security of automated systems used overseas, possible consolidation of overseas survey work and administrative procedures within the directorate.

4. PASS SYSTEM

25X1 Chief, Physical Security Activities Division (PSAD) anticipates a June installation date for the first PASS (Personnel Access Security System) system to be installed in the [REDACTED] Because of the current data crunch associated with the existing SACS (Security Access Control System) system, the Agency will lease temporarily an access system to ease in the transition.

5. ALTERNATE ACCESS CONTROL SYSTEMS

25X1 PTS is researching alternate access controls and will purchase and test a device which identifies the retinal pattern of the eye before allowing an individual access to a restricted area. Concerns for safety, health and overall reliability will also be taken into consideration.

8. SECURITY PROTECTIVE OFFICERS

25X1 On 27 February twenty-two Security Protective Officers (SPOs) graduated from the Federal Law Enforcement Training Center in Glynco, GA. [REDACTED]
